Completed indicates that the student finished the course or otherwise completed a sufficient amount of work for the instructor to evaluate and assign a grade.

Earned indicates that the course credits may be used to fulfill curricular requirements. Developmental courses are not included.

- 1) on the course inventory file CIP code = '32' and CIP32 = 1, 2, 3, 4, or 0 or
- 2) on the Type3 file a remedial code of 1, 2, 3, 4, or 0.

Procedure: Institution assigned grades are standardized as indicated in the following chart. First, courses are identified as developmental or non-developmental as defined above; then, institutional grades are associated with the standard letter grade of the category to which they are assigned. For example, the grades 'A', 'A+' and 'A-' are each standardized as 'DA' if the course is developmental or 'A' if it is non-developmental. (Programming specifications are available on request.)
